

POLY-STR HANS

The best in trays

Leading tray specially designed for institutions requiring heavy usage from their trays.

Extremely strong, attractive tray. Available in many sizes and colors. The Poly-Str Platex is so strong it is guaranteed unbreakable for 10 years.

The Hans is the first polyester tray with integrated handles. With its original shape and down-turned rims, the new PLATEX Poly-Str tray combines a unique design based on traditional trays used by the general public with recognized quality. The HANS tray is particularly well-suited to cafeterias looking for an original, esthetic tray that is comfortable for users.

- ▶ High density polyester fiberglass tray with continuous braiding. Reinforced and coloured within the material.
- ▶ **Guaranteed unbreakable 10 years.**
- ▶ **Self-service tray** NF label (Afnor T54-801).
